Course Outcome (CO)

Enter CO description here. Please fill the KPI and PO boxes for CRR preparation.

The RED BOX means there is no question set to address that PO and CLO in Step 3. Please select the appropriate level of Bloom Taxonomy domain for each addressed PO. Assessments in Step 3 must be designed to address these domain levels using the correct verbs. Please refresh this page, to clear the cache.

List Program POs:

Students' Marks Entry

download to excel and copy marks from CRR excel.

BULK ADDITION OF MARKS **DOWNLOAD TO EXCEL** DOWNLOAD AS CSV DELETE ALL STUDENTS

Obe in CSV is semi-colon delimited. Use semi-colon delimited to separate the cells. The commas will be used by the OBE System.

Step to Add Marks

1. Click "Download to EXCEL" to download the spreadsheet file.
2. Open the spreadsheet file in EXCEL or other spreadsheet applications.
3. Enter the marks of the students.
4. Copy the contents of GREY cells in the spreadsheet.
5. Go to Step 6 and click "Bulk Addition of Marks".
6. Paste the content into the yellow textbox and press Save.

If there are changes to the marks of the students, you need to repeat Step 7, 8, 9 and 10 to update all Marks, Grades, CO and PO information.

Step 2 and Step 3 are disabled for editing when Step 6 is not empty. You need to delete ALL students in order to modify Step 2 and Step 3.

New students can be added in the EXCEL form according to the given format.
